# BIG BOOK <sup>of</sup> PRIZES

VOL. 3

**Michigan  
Retailers**  
ASSOCIATION

# WHAT IS THE BIG BOOK OF PRIZES?

Thank you for your partnership with Michigan Retailers Association and Retailers Processing Network (RPN). Your referrals to our merchant processing services and products is a win-win for all involved: MRA has the opportunity to serve your customer, you receive valuable compensation and incentives, and on average **we save merchants 36% on credit card processing fees**.

Beginning Jan. 1, 2026, we are excited to bring back our Big Book of Prizes (the Program) **bigger and better than ever before**. In addition to earning gift cards for qualified leads, the Program awards you prizes of your choosing, depending on the number of points you have accumulated.

## HERE'S HOW IT WORKS:

**1** Each *qualified lead* earns **2** Each *sold account* earns

**\$25  
Gift Card**

**Every 5th qualified lead  
earns a bonus \$25 gift card**

8

**Every 5th sold lead  
earns a bonus 50 points**

- \*A **qualified lead** is defined as a referral which results in contact with a merchant and an opportunity to present a merchant processing proposal.
- \*A **sold account** is defined as the completion, acceptance, and approval of a merchant processing application.
- After **Jan. 8, 2027**, incentive points are subject to forfeiture.
- \*Qualified leads must be submitted by **Dec. 31, 2026** to qualify for the \$25 gift card(s) listed in step 1 (above).

The Program is void where prohibited and no purchase is necessary for participation. Eligible participants must have an established relationship with Michigan Retailers Association, any of its affiliated entities. Qualification as a lead or sold account for gift card and incentive point award purposes is in the sole discretion of MRA. MRA reserves the right to limit the maximum number of incentive points any one referral partner may earn, provided the maximum number is applicable to all referral partners. Prizes are subject to availability. If a prize is unavailable, MRA reserves the right to award a comparable alternative.

MRA assumes no responsibility for advising any participant on possible tax liability associated with the Program. Any liability for taxes imposed will be the responsibility of the incentive prize winner and not MRA. **The participant will be provided a 1099 tax form for any incentive prizes or gift card which value exceeds \$2,000.**
