

THE **BIG BOOK OF PRIZES**

VOL. 2

January 2025 – December 2025

Earn **Big Prizes** When You
Refer Business to MRA!

What is the Big Book of Prizes?

Thank you for your partnership with Michigan Retailers Services, Inc. (MRS), a wholly owned subsidiary of Michigan Retailers Association, and Retailers Processing Network (RPN). Your referrals to our merchant processing services and products is a win-win for all involved: MRS has the opportunity to serve your customer, you receive valuable compensation and incentives, and on average we save merchants 33% on credit card processing fees.

Beginning Jan. 1, 2025, we are pleased to bring back our Big Book of Prizes (the Program). In addition to earning points for qualified leads, the Program awards you prizes of your choosing, depending on the number of points you have accumulated.

Here's how it works:

1 Each **qualified lead** earns

**25
Points**

*A qualified lead is defined as a referral which results in contact with a merchant and an opportunity to present a merchant processing proposal.

2 Each **sold account** earns

**50
Points**

*A sold account is defined as the completion, acceptance, and approval of a merchant processing application.

3 **Redeem points as you go or save for something big**

4 **Points must be redeemed by Jan. 5, 2026**

*After Jan. 5, 2026, incentive points are subject to forfeiture.

*Qualified leads must be submitted by Dec. 31, 2025 to qualify for the 25 points listed in step 1 (above).

The Program is void where prohibited and no purchase is necessary for participation. Eligible participants must have an established relationship with Michigan Retailers Association, any of its affiliated entities, or Michigan Retailers Services, including any of its assumed names. Qualification as a lead or sold account for gift card and incentive point award purposes is in the sole discretion of MRS. MRS reserves the right to limit the maximum number of incentive points any one referral partner may earn, provided the maximum number is applicable to all referral partners. Prizes are subject to availability. If a prize is unavailable, MRS reserves the right to award a comparable alternative.

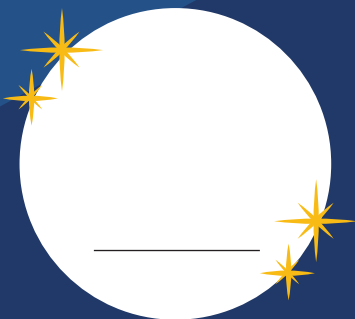

MRS assumes no responsibility for advising any participant on possible tax liability associated with the Program. Any liability for taxes imposed will be the responsibility of the incentive prize winner and not MRS. The participant will be provided a 1099 tax form for any incentive prizes which value exceeds \$600.

Keep track of your progress *all year long*
