

**As of Dec. 31, 2024, Michigan law states that retailers can only sell cage-free eggs. You will notice this change in our stores as we remove conventional eggs from our assortment. Due to recent nationwide supply shortages on cage-free eggs, there has been a drastic increase in costs to source cage-free eggs that will meet our strict quality standards and comply with this new law. We thank you for shopping with us as we work hard to fill our shelves at the best available prices**
