

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
GROCERY/CONVENIENCE										
HB 4115		Alcohol serving hours: Would allow a city, township or village to vote to allow on-premise alcohol sales between 2:00-4:00 a.m.	Reported by House Reg. Reform on 3/2/21	Passed House 61-47 on 3/18/21	Referred to Senate Reg. Reform				Monitoring	
HB 4232		Clerk age to sell alcohol: Would allow a 17-year old to sell or serve alcohol. Current law only allows individuals over age 18 to sell or serve alcoholic beverages.	Hearing in House Reg. Reform on 6/15/21							
SB 559		Drinks-to-go/social districts: A bill that would remove sunset provisions relating to drinks-to-go and social districts. Currently set to sunset on Dec. 31, 2024.	Discharged from Senate Reg. Reform	Amended, passed Senate 33-2 on 6/24/21	Skipped committee referral	Passed House 107-1 on 6/30/21			Monitoring	
HB 5090 & 5093		Drinks-to-go/social districts: Bills that would modify conditions under which alcohol can be sold and served in a common area, create an outdoor service area permit for areas adjacent to the licensed premises and extend the sunset that allows for social districts to exist.	Referred to House Reg. Reform						Monitoring	
HB 4561		Food establishment license fee refund: A bill to provide for the refund of certain food establishment license fees if there was a 25% or more reduction in revenue during any quarter of the preceding licensing year.	Reported by House Reg. Reform on 6/8/21	Passed House 97-10 on 6/17/21	Referred to Senate Reg. Reform				Monitoring	
HB 4557		Liquor license renewal fees: Legislation that would waive certain renewal fees for 2021.	Reported by House Reg. Reform on 6/8/21	Passed House 98-10 on 6/17/21	Referred to Senate Reg. Reform				Monitoring	
SB 141-144		Mixed spirit drinks and shipments: A bill package to allow distilleries to directly ship mixed drinks to retailers by treating canned cocktails like wine. It would also change the definitions of direct shippers and "qualified retailer" to one that is open to the public for face-to-face sales, holds a retail food establishment license or extended retail food establishment license and makes at least 25% of its annual sales in person (this would not apply to retailers under 15,000 square feet).	Amended and reported by Senate Reg. Reform on 3/24/21	Passed Senate 34-1 on 3/25/21	Reported by House Reg. Reform on 4/20/21	Passed House 107-0 on 5/6/21	Signed by Gov. Whitmer on 5/24/21	P.A. 16-19 of 2021 took effect on 5/25/21	Monitoring	
HB 4255		Pregnancy and alcohol sales: A bill that would allow a retailer to refuse to sell or serve alcohol to a customer if the person discloses that she is pregnant.	Referred to House Reg. Reform						Monitoring	

ALCOHOL

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 125		Prorated liquor license fees: Legislation to prorate license fees for businesses with club licenses who were closed due to executive order.	Reported by Senate Reg. Reform on 3/16/21	Passed Senate 35-0 on 3/24/21	Referred to House Reg. Reform				Monitoring	
HB 4710		Prorated liquor license fees: Legislation to prorate on a quarterly basis the current liquor license fees to make or sell alcohol.	Referred to House Reg. Reform						Monitoring	
HB 4842 & SB 444		Small distiller commission sales: Legislation that would create a qualified small distiller program for small distillers using 40 percent or more Michigan grown-products to make alcohol. The legislation would require a lower gross profit be returned to the commission (32.5 percent vs the traditional 51-65 percent for other liquor products).	Referred to House/Senate Reg. Reform						Monitoring	This is a reintroduction of bills from last term.
HB 4485		Cigar tax cap: Would eliminate the current Oct. 31, 2021 sunset capping cigar taxes at no more than 50 cents per individual cigar.	Reported by House Tax Policy on 4/14/21	Passed House 83-25 on 5/18/21	Reported by Senate Finance on 6/2/21					Introduced by the chair of the House Tax Policy Committee.
SB 391		Cigar tax cap: Would eliminate the current Oct. 31, 2021 sunset capping cigar taxes at no more than 50 cents per individual cigar.	Referred to Senate Finance							Same bill content as HB 4485.
HB 4114		Cigarette tax: Would reduce the current cigarette taxes by half.	Referred to House Tax Policy						Monitoring	Introduced by the chair of the House Tax Policy Committee.
HB 4287		E-cigarette and vapor product taxes: A bill to tax e-cigarettes and vapor products the same as tobacco products. It would add a new definition of "alternative nicotine product" beginning Jan. 1, 2022 and would only apply to the consumable product.	Referred to House Reg. Reform						Monitoring	
HB 4427		Minors in possession: A bill to increase (by double) the penalties for minors in possession of tobacco or attempting to purchase tobacco products to \$100 for a first civil infraction offense (up from \$50) and the court could mandate community service hours. A secondary offense would be a misdemeanor punishable by up to \$200 fine or up to 30 days in jail.	Amended and reported by House Reg. Reform on 5/25/21, referred to House Judiciary						Monitoring	

2021-2022 Bill Tracking

BILL #	RECENT CHANG E	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
TOBACCO/VAPIN	HB 4878	Synthetic tobacco, tobacco 21: A bill that would amend the Youth Tobacco Act to change the definition of "minor" for purposes of its provisions to mean an individual under the age of 21, prohibit the sale of synthetic or tobacco free nicotine to an individual under 21 and requires the product packaging to include a disclosure that the product is not regulated by the FDA.	Amended and reported by House Rules & Competitiveness on 5/20/21	Passed House 105-5 on 6/3/21	Referred to Senate Reg. Reform				Monitoring	The bill was amended with a technical amendment to allow minors doing their job to transport or handle these products (the law already has this provision for other tobacco products).
	SB 572-577	Tobacco 21, alternative nicotine & vapor products: A package of bills that would add an excise tax on certain electronic smoking devices, update the definition of tobacco product to include alternative nicotine products and consumable material beginning Jan. 1, 2022, prohibit certain marketing and advertising strategies of vapor products, provide compliance checks, require licensing, increase the purchase age from 18 to 21 of penal code provisions for selling or distributing tobacco products by mail or vending machines.	Referred to Senate Reg. Reform						Monitoring	
	HB 4249-4251	Vitamin E Acetate: Would prohibit the sale of vaping products or medical or recreational marijuana products laced with Vitamin E Acetate.	Amended and reported by House Reg. Reform on 3/23/21, reported by House Rules & Competitiveness on 5/20/21	Passed House 108-2 on 6/3/21	Referred to Senate Reg. Reform				Neutral	
	HB 5058-5061	Adulterated food – hemp: A package of bills that would prohibit the adulteration of food containing industrial hemp, modify restrictions under the industrial hemp growers act, limit liability for growers under certain circumstances, modify certain activities under a processor-handler license and definition of industrial hemp commodity and product.	Referred to House Reg. Reform						Under review	
	HB 4331 & SB 167	Bottle deposit expansion: A bill to expand Michigan's 10-cent bottle deposit law to all non-milk beverage containers. The bill would also require retailers take back all beverage container brands and would modify the reimbursement formula.	Referred to House/Senate Reg. Reform							

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4443-4444		Bottle deposit fund distributor reimbursement: A bill to create a new credit against the unclaimed deposits that are returned to the state to reimburse distributors \$0.005 per container sold during the tax year. This reimbursement would happen first from unclaimed deposits then the remaining 75% would go to EGLE for environmental cleanups and 25% would be distributed to retailers.	Amended and reported by House Reg. Reform on 3/16/21	Passed House 88-20 on 4/27/21	Amended and reported by Senate Reg. Reform on 6/8/21				Neutral with amendments	Amendments were added in the House to HB 4444 to hold the first \$50M in the escheats fund harmless and adds in a sunset after FY 2021. MRA is now neutral since it will ensure retailers' portion of the unclaimed escheats will not be impacted.
HB 4780-4783		Bottle deposit escheats/fraud: A package of bills that would shift the distribution formula for any unclaimed deposits that are returned to the state to include \$1 million to a new bottle bill enforcement fund then remaining 75% to environmental clean-up and 25% to retailers. The bills also crack down on distributors/retailers selling returnable containers without first originating the deposit on the container. Requires distributors to collect deposits on certain containers purchased out of state.	Reported by House Reg. Reform on 5/25/21, and House Rules on 5/27/21	Passed House 106-4 on 6/3/21	Referred to Senate Reg. Reform				Under review	This is a reintroduction of the bill package from last term led by the Michigan Soft Drink Association and distributors. MRA has concerns about the open-ended enforcement powers and funding of MSP.
SB 178		Bottle deposit over-redeemer fund: A bill to modify the payment timing to allow for quarterly payments vs. annual reconciliation to distributors and manufacturers who originate the deposit on containers both as under and over-redeemers.	Reported by Senate Natural Resources on 3/3/21	Passed Senate 35-0 on 3/10/21	Amended and reported by House Reg. Reform on 5/25/21				No position	The timing of these payments does not impact retailers.
HB 4514		Dogs on patios: Legislation to allow dogs to be present in outdoor seating areas at restaurants.	Referred to House Commerce						No position	
HCR 1		Frontline worker recognition: A resolution to recognize frontline workers for their contributions during the COVID-19 pandemic. The resolution specifically recognized food processing employees, grocery store employees, truck and delivery drivers among others.	NA	House adopted on 2/11/21	NA	Senate adopted on 2/11/21	NA	NA		
HR 132 & SR 73		Hero pay for essential workers: A resolution to support the use of federal funding to provide heroes pay to essential workers.	Referred to House/Senate Appropriations						Monitoring	
HB 4982		Lab grown meat labeling: A bill that would amend the Michigan Food Law to prohibit labeling as meat a laboratory-grown meat substitute.	Referred to House Agriculture

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 229-230, SB 353-354		License waiver/discount extension: A multi bill package to waive food establishment licensing fees and late fees for the May 1, 2021-April 30, 2022 license year and to extend the liquor license 23% discount on uniform prices for on-premises licensees through July 31, 2023.	SB 230, 353-354 amended and reported by Senate Reg. Reform on 4/27/21	SB 230 passed Senate 19-15 on 4/28/21 SB 353-354 passed Senate 20-16 on 5/5/21	Referred to House Reg. Reform				Monitoring	The license fee waiver appears it would extend to grocery stores as currently written.
HB 5250 & SB 591		PFAS in food packaging: A bill that would prohibit the use of PFAS, bisphenols, and phthalates in food packaging.	Referred to House Agriculture / Senate Environmental Quality						Monitoring with concerns	
SB 358		Plastic bag preemption repeal: Legislation that would repeal the current preemption of local ordinances banning or taxing plastic bags and other containers.	Referred to Senate Environmental Quality							
HR 36 & SR 18		Supermarket Employee Day: A resolution to recognize February 22, 2021 as Supermarket Employee Day in Michigan.	NA	House/Senate adopted on 2/18/21	NA	NA	NA	NA		MRA requested this resolution.
HUMAN RESOURCES										
HB 4413		\$15 minimum wage: Seeks to create a \$15 minimum wage phased in over five years to be implemented by Jan. 1, 2026 and then index it to inflation beginning in Jan. 2027.	Referred to House Commerce							
HB 4177		Paid leave: Legislation that seeks to revert to the 2018 ballot language on paid leave that was adopted and amended by the legislature.	Referred to House Commerce							
HB 4677		Paid medical leave expansion: A bill to expand paid medical leave benefits for victims or witnesses of certain acts or crimes; and expands definition of family member.	Referred to House Rules						Under review	
HR 134		Pandemic unemployment compensation: A resolution to oppose efforts to withdraw Michigan from the federal Pandemic Unemployment Compensation Program.	Referred to House Gov. Operations							
HB 4578-4587 / SB 322-327, 330, 332		Pay equity: House and Senate bill packages that seek to address equal pay for men and women.	Referred to House Workforce/ Senate Econ. Dev.						Monitoring

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 5251		Severance pay: A bill that would require certain employers that close or relocate an establishment or engage in a mass layoff to pay severance pay to certain employees.	Referred to House Workforce						Monitoring	
HB 4441		Tax exemption for UI benefits: Legislation to exempt unemployment benefits from the state's individual income tax act.	Referred to House Workforce						Monitoring	
HB 4334-4342		Unemployment benefits: This nine-bill package would expand and increase unemployment benefits from 20 to 26 weeks, increase the maximum benefit amount from \$362 to \$593, make contractors and low-wage school employees eligible for benefits, remove restrictions on seasonal workers and also remove the requirement to seek work during a state of emergency for anyone high risk, quarantined, sick, or caring for others.	Referred to House Commerce							
SB 168-176		Unemployment benefits: This nine-bill package would expand and increase unemployment benefits from 20 to 26 weeks, increase the maximum benefit amount from \$362 to \$593, make contractors and low-wage school employees eligible for benefits, remove restrictions on seasonal workers and also remove the requirement to seek work during a state of emergency for anyone high risk, quarantined, sick, or caring for others.	Referred to Senate Econ. Dev.							
HB 4772-4773		UIA benefits remuneration and workshare: Bills that would modify the remuneration provision formula beginning Jan. 1 2022, removes UIA shared-work plan expiration if unemployment rate in the state exceeds 8% for the immediately preceding two months, and reduces employer certification of shared-work plan in lieu of layoffs that would affect 10% of the affected unit instead of 15%.	Referred to House Workforce							
SB 501		Unemployment conditions - registration with MI Works agency: Legislation that would require individuals receiving unemployment benefits register with a Michigan Works agency to demonstrate active work search efforts.	Amended and reported by Senate Econ. Dev. on 6/10/21	Passed Senate 35-0 on 6/17/21	Reported by House Workforce on 6/17/21	Passed House 103-6 on 6/24/21				

BENEFITS

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4505-4509		Unemployment conditions: A package of bills that strikes certain conditions to qualify for unemployment like work absences without notice, conditions for leaving work for a medical reason. It would include tips in the wage determination and decrease earnings requirements and require annual reporting to the legislature.	Referred to House Gov. Operations							
HB 4435-4440		Unemployment fraud: Legislation that seeks to change the administrative process for determining unemployment fraudulent claims and the appeals process that would be more lenient on those who received fraudulent benefits.	Referred to House Commerce							
HB 4565		Unemployment insurance: Would allow certain contributing employers (with under 50 employees) to pay unemployment taxes and contributions quarterly under certain circumstances. Currently only those with 25 or fewer qualify.	Referred to House Tax Policy							
HB 4434		UIA plain language/end PUA benefits: A bill that would require the unemployment agency to use plain language in communications and determinations and was amended to add language requiring the agency to reject federal funds that can be used for pandemic unemployment benefits.	Amended and reported by House Workforce on 6/10/21	Passed House 60-49 on 6/17/21	Skipped committee referral	Amended, passed Senate 19-16 on 6/24/21	Presented to the governor on 7/6/21			The bill failed to get immediate effect in the Senate so while it is expected to be vetoed, it wouldn't matter since it couldn't take effect until late next March under the rules.
HB 5092		UIA plain language: A bill that would require the unemployment agency to use plain language in communications and determinations.	Skipped committee referral	Passed House 109-0 on 6/30/21					Neutral	This bill replaces a previous bill (HB 4434) that was amended to eliminate the pandemic work search benefits and will likely be vetoed.
SB 445		UIA work search requirement: A bill that would require UIA to waive the search for work requirement for individuals who are covered under section 2102 of the Federal CARES Act.	Amended and reported by Senate Econ. Dev. on 6/10/21	Passed Senate 35-0 on 6/17/21	Referred to House Workforce				Monitoring	Addresses issues with work search for part time workers. The committee made technical changes.
HB 5179-5180		Work search requirements/notice of jobs: A bill that would modify work search requirements by requiring an individual to register with Michigan Works within 21 days after applying for benefits. Would also increase the number of work search inquiries per week, and individuals would have to report the info once a week. And would require UIA to notify claimants of job openings through MI Works.	Referred to House Workforce						Monitoring	

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 536		Work search and registration: A bill that would prohibit the agency from waiving work search and work registration requirements unless extended benefits are triggered.	Referred to Senate Econ. Dev.							
HB 4083		Criminal history: Legislation to make it illegal for an employer to request information related to an arrest, criminal accusation or criminal convictions of a job applicant before offering employment.	Referred to House Commerce						Monitoring	
HB 4063		Homeschool children work permits: Would allow a parent or legal guardian to issue a child who is educated at home via homeschool or other similar arrangement a work permit.	Reported by House Education on 5/4/21	Passed House 98-10 on 5/20/21	Reported by Senate Econ. Dev. on 6/17/21				No position	
SB 329		Job applicant past compensation: A bill that expands prohibited employment discrimination practices to include asking a job applicant about past compensation	Referred to Senate Econ. Dev.						Monitoring	
HB 5135-5140		Predictive scheduling, overtime, etc.: A package of bills that would regulate temporary labor service agencies, provide scheduling standards, specify minimum compensation amounts for exemption from overtime pay and require meal periods for certain employees, exclude severance pay from the definition of remuneration and require severance pay for eligible employees for a closing or mass layoff.	Referred to House Workforce							
SB 328		Written job descriptions: Legislation that would require companies with more than five employees to prepare and provide job applicants with a written job description.	Referred to Senate Econ. Dev.						Monitoring	
HB 5124		Classification of essential workers: A bill that would provide classification of essential workers.	Referred to House Workforce						Monitoring	"Workers at retail stores who sell groceries, medical supplies, and products necessary to maintain the safety, sanitation, and basic operation of residences, including, but not limited to, convenience stores, pet supply stores, auto supplies and repair stores, hardware and home maintenance stores, and home appliance retailers."

HIRING PROCESS

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 162-165		Employee workplace protections: A four-bill package to double the penalties for MIOSHA workplace violations, prohibit retaliation against employees who raise safety concerns or stay home to quarantine, stay home when sick or to care for others during COVID-19 and to require employers post a list of all COVID testing sites located in the county somewhere conspicuous.	Referred to Senate Econ. Dev.							
SB 161		Essential worker presumption of liability: Legislation that would amend the worker's compensation presumption that essential workers who suffered an injury or illness during a state of emergency were exposed via work. Would be retroactive to March 10, 2020.	Referred to Senate Econ. Dev.							
HB 4329-4330		MIOSHA safety standards: Would limit MIOSHA emergency safety standards and rules to only be issued for 30 days unless extended by resolution of the legislature.	Referred to House Gov. Operations						Monitoring	
HB 4958		Use of PPE in the workplace: A bill that would prohibit an employer from taking adverse action against an employee for using their own personal protective equipment in the workplace to protect against hazards like disease, chemicals, etc. so long as it provided equal or better protection than what the employer offered.	Referred to House Gov. Operations						Monitoring with concerns	If an employee can choose to use their own PPE, the employer should not be held responsible for any ailments/injuries/issues arising from equipment not be used or cleaned properly.
HB 4008		Vaccination exemptions: Would create an exemption in statute for persons who do not want to receive a vaccine due to a pandemic for religious or health reasons or if parents object to a minor receiving the vaccine.	Referred to House Health Policy						Monitoring	
HB 4748-4761		Worker's comp and workplace safety: A package of 14 bills that would make changes to worker's compensation benefits and workplace safety standards related to COVID-19. The bills include a presumption that essential workers contracted COVID-19 on the job, requires employers to provide information on testing locations, repeals Public Act 10 of 2011, which prohibits the state from implementing ergonomics standards, increases MIOSHA violation penalties and more.	Referred to House Workforce							
HB 4381		Civil rights investigation anonymity: A bill to allow employees participating in investigations of potential civil rights violations to remain anonymous.	Referred to House Judiciary						No position	

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4577 / SB 333		Garnishment: Legislation to revise the written notice period to an employee to one pay period or 10 business days, whichever is greater, before a garnishment is made.	Referred to House Commerce						Monitoring	
HB 4297 / SB 208		Gender identity discrimination: Legislation that would extend civil rights protections to transgendered individuals.	Referred to House Judiciary / Senate Gov. Operations						Monitoring	
SB 44		Emergency responder work absences: Would prohibit an employer from discriminating against or disciplining an employee who is an emergency responder and is absent from work while responding to an emergency. The time off shall be considered unpaid and an employee must notify the employer of his or her status as a responder.	Referred to Senate Econ. Dev.						No position	
HB 4556		Ethnic intimidation: Would amend the definition for ethnic intimidation to include gender identity and sexual orientation.	Referred to House Judiciary						Monitoring	
HB 4597		Female board members: A bill that would requires a certain number of female board members on boards of directors.	Referred to House Workforce						Monitoring	
HB 4275		Natural hair discrimination: Legislation that would follow California's model to prohibit workforce discrimination against natural hair styles including braids, locks and twists.	Referred to House Judiciary						Monitoring	
HB 4576 & SB 331		Pay equity workplace award: A bill to create the Pay Equity in the Workplace Award Program to encourage and recognize employers that make progress in addressing pay inequality.	Referred to House Workforce/ Senate Econ. Dev.						Monitoring	
HB 4592		Repeal local preemption of benefits: Legislation that would repeal the local government labor regulatory limitation act, 2015 PA 105, which prohibits local jurisdictions from adopting requirements stricter than state law.	Referred to House Workforce							
HR 79		Support for the federal "PRO" Act: A resolution to encourage Congress to enact legislation to protect workers' rights (H.R. 842 of 2021), commonly referred to as the Protecting the Right to Organize (PRO) Act.	Referred to House Reg. Reform							
SB 368		UIA agency workers: Legislation that extends the sunset for allowing state employee retirees to work the Michigan unemployment insurance agency without forfeiting retirement benefits. This will help the agency offer better service to employers and unemployed workers.	Referred to Senate Econ. Dev.							

OTHER

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 531-534		UIA fraud/office closures: A package of bills that would require criminal history background checks of third-party employees or independent contractors who would be involved in performing the duty of the UIA, creates a fraud unit, requires UIA offices that are open to the public to maintain regular hours of operation and prohibits closures, and requires an audit of the unemployment compensation fund covering March 1, 2020 through September 6, 2021.	Referred to Senate Econ. Dev.						Monitoring	
HB 4471		Vaccines as a condition of employment: Legislation that would prohibit requiring vaccines for tetanus-diphtheria, influenza, or COVID as a condition of employment.	Re-referred to House Workforce						Monitoring	
SB 592		Whistleblower protections: Would add warning/speaking out about a planned violation or request to participate in a cover up of a violation or planned violation to the list of protected whistleblower protections from retaliation.	Referred to Senate Gov. Operations						Monitoring	
PHARMACY										
CONTROLLED	SB 14-15	Controlled substance delivery causing death: Legislation to ensure violations of controlled substances causing death that violate the Public Health Code are prosecuted locally.	Referred to Senate Judiciary						Monitoring	This would bring Michigan in line with surrounding states, allowing the prosecution to happen where the event occurred.
	HB 4089	Etizolam as schedule 1 drug: Legislation that seeks to include etizolam, a benzodiazepine drug used to treat insomnia and anxiety, as a schedule 1 drug.	Reported by House Health Policy on 4/22/21	Passed House 75-34 on 4/29/21	Referred to Senate Judiciary				Monitoring	
DST	HB 4351-4352	Gag clauses and prescription price transparency: Legislation to ensure pharmacies can disclose the price of medication to patients and provide patients the prices for other comparable generic or name brand products. Prohibits contracts that would restrict this transparency.	Amended and reported by House Health Policy on 3/11/21	Passed House 106-1 on 3/24/21	Referred to Senate Health Policy				Under review	Part of a larger, bipartisan 15-bill healthcare reform package (HB 4345-4359).
	HB 4347	Manufacturer drug cost transparency: Would require drug manufacturers to file reports to the state on drugs with a wholesale acquisition cost of \$500 or more for a 30-day supply if the price increases 15% or more in a year or 40% or more over three years.	Amended and reported by House Health Policy on 3/11/21	Passed House 100-7 on 3/24/21	Referred to Senate Health Policy				Under review	Part of a larger, bipartisan 15-bill healthcare reform package (HB 4345-4359).

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
DRUG CARE										
HB 4348		PBM regulation: Would add new regulations on Pharmacy Benefit Managers (PBMs) including registration with the state and quarterly transparency reports. It would also ban spread pricing and prohibit retroactive fees on pharmacies.	Amended and reported by House Health Policy on 3/17/21	Passed House 97-10 on 3/24/21	Hearings in Senate Health Policy on 6/17/21, 6/24/21, 6/30/21, and 7/15/21					Part of a larger, bipartisan 15-bill healthcare reform package (HB 4345-4359). Amendments added to strengthen rule promulgation language, increase fines for failure to file annual reports with the department from \$5,000/month to \$20,000/month, push the implementation date to Jan. 1, 2023 and first reporting requirement to April 1, 2023, changed the mandatory quarterly reports to annual reports, and added "coinsurance or deductible" to the gag clause sections.
TECHNOLOGY										
HB 4659		E-prescribing exemptions: Would add two new exemptions to Michigan's e-prescribing law that requires prescriptions be sent electronically to the pharmacy starting Oct. 1, 2021. The exemptions would include prescribers who directly dispense prescriptions to patients in their office and home-based dialysis treatment medications.	Reported by House Health Policy on 6/3/21	Passed House 109-0 on 6/30/21					Under review	MRA has learned the Michigan Academy of Family Physicians asked for the additional exemptions which seem reasonable. However, LARA is asking for an extension of the effective date to 2/1/22 from 10/1/21 to better align with CMS' enforcement date and give them more time to promulgate rules.
HB 4430		COVID-19 vaccine hotline: A bill to require the state create and man a COVID-19 vaccine hotline available 24/7 through Sept. 30, 2022 that provides information on vaccine locations, eligibility/availability, pre- registration and scheduling of appointments.	Referred to House Gov. Operations							MRA supports any efforts to clarify vaccine availability but will monitor this to ensure pharmacies are included and able to work with the state to make appointments.
SB 155-156		Emergency insulin refills: Would allow a pharmacist to dispense and insurers to cover an emergency supply of insulin (up to a 30-day supply) to a patient with a prescription that is out of refills. It includes some documentation requirements including the reason an emergency supply is needed, information on the person's diabetes management. It also would require notification to the prescriber in writing within a "reasonable period of time."	Amended and reported by Senate Health Policy on 3/25/21	Passed Senate 34-0 on 4/22/21	Reported by House Health Policy on 6/3/21	Passed House 109-0 on 6/10/21	Signed by Gov. Whitmer on 7/1/21	P.A. 36-37 of 2021 took effect on 7/1/21	Monitoring

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
OTHER	HB 4558	Health license fees credit: Would amend the Public Health Code to offer a credit or prorated fee for an initial license, registration or a renewal of a license or registration for the portion of the effective period that the licensee or registrant is unable to engage in the practice of his/her health profession as a result of a declared state of emergency or disaster.	Amended and reported by House Reg. Reform on 6/8/21	Passed House 100-10 on 6/17/21	Referred to Senate Reg. Reform				Monitoring	
	HB 5006	Medicaid pharmacy benefit manager contracts: A bill that would prohibit the state from entering into a contract with a Medicaid managed care organization that relies on a pharmacy benefit manager under certain circumstances.	Referred to House Health Policy						Under review	
	SB 412	Medicaid prior authorization prescription drugs: Provides exemption of HIV and Tardive dyskinesia drugs from the MDHHS Medicaid prior authorization process.	Referred to Senate Health Policy						Monitoring	
	SB 166	Mid-level prescribers: The bill would allow Michigan pharmacists to fill non-controlled substance prescriptions written by mid-level prescribers licensed in other states and Canada. Currently, Michigan pharmacists can fill scripts from mid-levels licensed in Michigan, but not licensed in other states.	Reported by Senate Health Policy on 3/11/21	Passed Senate 34-0 on 3/24/21	Hearing in House Health Policy on 4/29/21					
	SB 583	Pharmaceutical imports: A bill that would create a program for the wholesale importation of pharmaceuticals from Canada.	Referred to Senate Health Policy						Monitoring	
	SB 401-402	Pseudoephedrine limits: Bills that would lower the current allowable monthly limit of pseudoephedrine an individual can purchase and can be sold at retail from 9 grams to 7.2 grams as well as setting a 61.2-gram annual limit.	Reported by Senate Health Policy on 5/20/21						Neutral	While MRA does not support the bills, the limits are acceptable to allow for realistic use by families without a prescription.
REGULATIONS										
SB 50-51		Animal abuse: Would prohibit knowingly providing an animal to another individual who intends to abuse or mistreat the animal.	Referred to Senate Judiciary						Monitoring	
SB 59		Cash sales: Would prohibit retailers from refusing to accept cash for any sale. Doing so would be a violation of the Consumer Protection Act.	Referred to Senate Reg. Reform						Monitoring	
SB 493		Gasoline price advertising: A bill that would require retailers post both the reduced and nonreduced price in equal sizes on an illuminated sign when advertising reduced gasoline prices (such as a cash discount).	Referred to Senate Econ. Dev.						Monitoring

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SALES	HB 4246	Gas tax sticker: A bill to require the state's department of agriculture to provide gas station operators with 3.5 inch stickers outlining the federal motor fuel tax rate and state motor fuel tax rate in cents per gallon for both gasoline and diesel fuel. The stickers would be affixed when weights and measures does it's inspections and gas station owners bear no responsibility for affixing or maintaining the stickers.	Referred to House Transportation						Monitoring	
	SB 454	Firearm background checks: A bill that would require license or background checks for the purchase of firearms.	Referred to Senate Gov. Operations						Monitoring	
	HB 4382	Smoke detectors: Would prohibit the sale of smoke detectors powered only by removeable and replaceable batteries after April 1, 2022.	Reported by House Reg. Reform on 3/23/21	Amended and passed House 89-20 on 4/27/21	Reported by Senate Econ. Dev. on 6/10/21				Neutral with amendments	The bill was amended on the House floor to provide for at least 18 months of sales-time after it's signed into law.
	HB 4029	Stun guns: Legislation that would allow the purchase and possession of stun guns by individuals over age 21. It would only not apply to a launchable device like the tasers police officers use.	Reported by House Military on 3/10/21	Passed House 78-32 on 4/14/21	Referred to Senate Gov. Operations				Monitoring	
	SB 134	Synthetic urine: Would prohibit the manufacture, sale or distribution of synthetic urine designed as a drug masking agent.	Amended and reported by Senate Health Policy on 3/25/21	Passed Senate 33-1 on 4/21/21	Referred to House Health Policy				Monitoring	
	HB 4830-4831	Weapons: Legislation that eliminates prohibition against the sale, manufacture, or possession of brass knuckles, blackjacks, and clubs and updates reference in sentencing guidelines.	Referred to House Judiciary						Monitoring	
	HB 4667	COVID-19 vaccination passport: Legislation that would prohibit the state from entering into a contract with a person to produce or issue a COVID-19 vaccination passport, or provide an incentive for a vaccination passport.	Amended and reported by House Oversight on 5/13/21	Passed House 62-47 on 6/2/21	Referred to Senate Health Policy				Monitoring	
HB 4736	COVID vaccination requirement: A bill that would prohibit the Michigan Department of Health and Human Services from requiring individuals receive a COVID-19 vaccine.	Referred to House Health Policy						Monitoring		
HB 5244	COVID quarantine requirements - repeal: A bill that would repeal PA 238 of 2020 that specified quarantine requirements for COVID symptoms by workers and employer retaliation against workers who stay home.	Referred to House Gov. Operations						Under review	There were several issues tied with the original COVID liability bills that need to be resolved now that there are no more quarantine requirements but those provisions were codified without sunset.

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4433		Emergency powers of the governor: Legislation that would repeal the 1945 emergency powers of the governor act that allows for unlimited time to issue executive orders, the validity and application of which was questioned in 2020.	Referred to House Gov. Operations						Monitoring	
SB 535		Emergency rules: A bill that would allow emergency rules to be filed for a 3-month period with one 3-month extension instead of 6 months and require any further extensions to be approved by the legislature.	Referred to Senate Econ. Dev.						Monitoring	
SB 495		Epidemic order limits: A bill that provides definition of epidemic orders and places limits on the issuance of certain emergency orders involving epidemics.	Referred to Senate Health Policy						Monitoring	
SB 1		Epidemic orders time limits: Legislation that would limit epidemic orders issued by MDHHS to 28-days or less. Extensions for a specific number of requested days would need to be approved by the legislature.	Discharged from Senate Gov. Operations	Passed Senate 20-15 on 3/2/21	NA	Passed House 59-50 on 3/9/21	VETOED on 3/24/21	NA	Monitoring	Tie-barred to the supplemental appropriations funding made up mostly of federal COVID-19 funds. The governor is expected to veto this bill.
HB 4267-4269		Epidemic orders scope: Legislation that would limit epidemic orders issued by MDHHS to 28-days or less and prohibit MDHHS from issuing epidemic orders that restrict capacity of places of worship or religious practices. It would also ensure a business that is told to cease operations due to a pandemic is not in violation of a state or local order if the business follows all safety measures of businesses that are allowed to continue operating. Extensions of orders would have to be approve by the legislature.	HB 4268 amended and reported by House Gov. Operations on 3/24/21 re-referred to House Rules & Competitiveness on 5/19/21						Monitoring	
SB 257		Epidemic orders scope: Legislation that would limit epidemic orders issued by MDHHS to not limit gatherings of families, attendance of family members at sporting events or in-person dining.	Discharged from Senate Gov. Operations on 3/23/21	Amended and passed Senate 20-15 on 3/23/21	Referred to House Gov. Operations				Monitoring	
SB 428		Face masks for children under five: A bill that prohibits the issuance of an emergency order in response to an epidemic that requires children less than 5 years old to wear a face mask.	Skipped committee referral	Passed Senate 20-15 on 5/13/21	Skipped committee referral				Monitoring	
HB 5244		Liability: A bill that would repeal PA 238 of 2020 that prohibits retaliation against workers who stay home due to illness or quarantine requirements and prohibits and employee from reporting to work under certain circumstances related to COVID-19.	Referred to House Gov. Operations						Under review	There were several issues tied with the original COVID liability bills that need to be resolved now that there are no more quarantine requirements but those provisions were codified without sunset.

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4501		MIOSHA fines: Legislation that would prohibit MIOSHA from assessing a fine on a business found in violation of the workplace safety rules if it's a first violation and if the business takes steps to address and correct the violation.	Reported by House Gov. Operations on 5/20/21	Passed House 74-34 on 5/25/21	Reported by Senate Econ. Dev. on 6/3/21					
SR 59		MIOSHA fines forgiveness: A resolution to urge the forgiveness of all fines and fees imposed on and the end to all prosecutions brought against businesses for violating COVID-19 orders or rules.	Reported by Senate Econ. Dev. on 6/3/21	Senate adopted 19-16 on 6/10/21	NA	NA	NA	NA		
SB 250		Reopening standards for restaurants/event spaces: Legislation that would essentially codify the MI Restaurant and Lodging Association's reopening plan based on case positive percentages, etc.	Amended and reported by Senate Econ Dev. on 3/23/21	Passed Senate 20-15 on 3/25/21	Referred to House Gov. Operations				Monitoring	
Initiated Petition		Unlock Michigan - repeal 1945 Emergency Powers Act: A voter-initiated petition to repeal the 1945 Emergency Powers of the Governor Act that Gov. Whitmer used to issue executive orders last year before the court ruled it unconstitutional.	NA	Passed Senate 19-16 on 7/15/21	NA	Expected House vote week of July 19			Monitoring	
SB 457		Vaccinations for minors: A bill that would prohibit the MDHHS Director, or a local health officer, from issuing an emergency order that requires a minor to receive a vaccination for COVID-19.	Skipped committee referral	Passed Senate 20-16 on 5/25/21	Referred to House Gov. Operations				Monitoring	
HB 4790-4794		Vaccination/immunization privacy: A package of bills that would prohibit proof of COVID-19 vaccination or immunity statuses by state & local governments and places of public accommodation, prohibit immunization data on driver licenses and state identification cards, and prohibit employment discrimination based on vaccination/immunity status.	Referred to House Oversight						Monitoring	
HB 5026		9-1-1 fee increase/extension: A bill that would increase and extend the 9-1-1 fees required to be collected on prepaid cell phones and cell phone plans, extend that fee to online transactions, add audits, and extend the sunset 6 years.	Referred to House Communications & Tech						Under review	

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4801-4805		EV charging stations: A package of bills that provide registration and licensing procedures and modifies requirement for permit for EV charging stations. Allows construction and maintenance of EV charging stations at rest areas or travel information centers and excludes in definition of service plaza.	HB 4801-4802 were amended and reported by House Energy on 6/22/21							MRA opposes HB 4803-4805 since they will force retailers to unfairly compete with charging stations the state sets up in rest areas and creates a disincentive to invest in charging stations.
HB 5095		EV charging stations park-and-ride sites: A bill that would allow installation of electric vehicle charging stations at state park-and-ride sites.	Referred to House Energy						Monitoring with some concerns	Similar to our concerns on HB 4803-4805, if the state controls the EV stations it would create unfair competition.
HB 4944		Opt-in for increases in automatic payments: A bill that would require a 30 day advance notice to opt-in for increases to a payment amount that is charged automatically to a credit card, debit card, bank account or other payments source and clarifies application of Michigan consumer protection act to regulated businesses.	Referred to House Communications & Tech						Monitoring with concerns	
SB 538		Personal delivery devices: A bill that would establish regulations allowing semi-autonomous "personal delivery devices" to make deliveries on roads and sidewalks with the remote support and supervision of a human.	Referred to Senate Transportation						Under review	This is a re-introduction of SB 892 from 2019-20 session. There is a company that is developing and testing the technology in Ann Arbor. Other states have passed PDD legislation.
SB 560-561		Personal delivery devices registration/insurance: Legislation that would provide for registration and exempt automated delivery devices from the requirement to have no-fault insurance.	Referred to Senate Transportation						Under review	
HB 5057		Portable electronics insurance: A bill that would provide for a limited line portable electronics insurance producer license for the sale of portable electronic insurance that provides coverage for the repair or replacement of a portable electronic device.	Referred to House Reg. Reform						Under review	
HB 4893		Recurring online services: A bill that would provide cancelation of certain recurring services online and clarifies application of the Michigan Consumer Protection Act to regulated businesses.	Referred to House Communications & Tech						Monitoring with concerns	MRA understands this could have far-reaching consequences for retailers and other businesses and is working with other concerned parties.
HB 4015		Third-party state transaction disclosure: A bill to require any website issuing state licenses to clearly disclose the website is a third-party and to include a link back to the state's official page.	Amended and reported by House Reg. Reform on 2/23/21	Passed House 102-7 on 2/24/21	Amended and reported by Senate Reg. Reform on 6/8/21	Passed Senate 35-0 on 6/16/21	Signed by Gov. Whitmer on 7/1/21	P.A. 46 of 2021 will take effect in March 2021 (90 days after sine die)	Neutral

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4272		Gas cans: Allow the labeling and use of gas cans in Michigan that are only used in Michigan and that are not compliant with emissions standards under 40 CFR part 59 subpart F related to interstate usage.	Reported by House Commerce on 3/23/21	Passed House 75-34 on 4/20/21	Reported by Senate Environmental Quality on 6/8/21				Monitoring	
SB 217		PFAS labeling: A bill to require consumer notification via warning labels if consumer products or packaging includes PFAS (fluorinated organic chemicals) by Jan. 1, 2024. Fines for violations would eventually reach \$10,000 starting in 2026.	Referred to Senate Environmental Quality						Monitoring	
SB 370		Prohibits certain glyphosate herbicide uses: A bill that would prohibit certain residential uses of glyphosate herbicide (products like Round-up, weed and grass killers) and prescribes penalties. Retailers selling products that contain glyphosate must post signs that notifies customers that certain residential uses are prohibited in 24-point font.	Referred to Senate Environmental Quality							MRA traditionally opposes new signage requirements for retailers since they are proven to be ineffective and burdensome.
HB 4454-4461		Solid waste and recycling reforms: A package of bills referred to as Part 115 recycling and solid waste legislation includes updates to improve Michigan's solid waste, composting, and recycling policies.	Amended and reported by House Natural Resources on 3/25/21	Passed House [various] on 4/22/21	Referred to Senate Reg. Reform					MRA supports the recycling reforms and improvements included in this bill package.
HB 4077		Unattended gas stations: Legislation that would prohibit LARA from issuing rules that prohibit the use of unattended gas stations to operate overnight without an attendant present.	Referred to House Commerce						Monitoring	Similar legislation was vetoed by Gov. Whitmer in Dec. 2020.
HB 4720		Adjustable-height adult changing tables: Legislation that would require spaces open to the public in buildings over 40,000 square feet to include an adjustable-height adult changing table that can be used by persons with disabilities of either sex. These would have to be installed upon the next major renovation.	Referred to House Reg. Reform							These adult-sized changing tables take up a large footprint in small bathrooms and cost \$10,000 - \$15,000 each.
HB 4787		Commercial drivers: Legislation that would allow someone with military commercial motor vehicle experience to skip the required state driving test to get a commercial driver's license.	Reported by House Transportation on 6/8/21	Passed House 107-0 on 6/24/21	Referred to Senate Transportation					With a shortage of drivers available, anything to get more commercial drivers on the road is positive.
HB 4994		Charitable donation unclaimed shoes: A bill that would allow shoe repair shops to donate unclaimed shoes after a certain period of time.	Referred to House Commerce							

ENVIRONMENT

2021-2022 Bill Tracking

BILL #	RECENT CHANG E	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4075-4076		Disabled parking signs: Legislation that would update the design of disabled access signs (parking signs etc.) to include the new international symbol of access and require businesses to use the new design when replacing signs. The new design would replace handicapped signs, must not use the term handicapped, and must include instruction such as "reserved."	Reported by House Health Policy on 6/24/21						Monitoring	The legislation could potentially create a situation where two versions of the signs would be needed to comply with both state and federal standards. MRA is waiting on confirmation from the ADA that the new symbol requirement will be sufficient to meet ADA-specified standards.
HB 4888-4891		Fireworks Act changes: A package of bills that would regulate the sale and use of fireworks, repeal the Michigan Fireworks Safety Act and sentencing guidelines under the act and update cross-reference in the Firefighters Training Council and Stille-DeRossett-Hale Single State Construction Acts and the Fire Prevention Code.	Referred to House Reg. Reform						Under review	
HB 4975		Fireworks discharge: A bill that would prohibit ignition, discharge, and use of fireworks within 200 feet of property not owned or leased by person using the fireworks.	Referred to House Reg. Reform						Monitoring	
SB 5		Fireworks use: Legislation that would allow local governments with certain densities (3,400 or more persons per square mile) to further restrict the ignition of fireworks to actual holidays. Currently local ordinances cannot limit use on the day of, day before or day after certain holidays (NYE, Memorial Day, Fourth of July and Labor Day). It would also double the related fines for violations.	Referred to Senate Reg. Reform						Monitoring	
SB 355		Fireworks on Juneteenth: Legislation that would allow the use of fireworks on the days leading up to and after Juneteenth.	Hearing in Senate Reg. Reform on 6/8/21						Monitoring	The bill is tie-barred to legislation designating "Juneteenth" as an official state holiday.
HB 5063		Fireworks on Juneteenth: Legislation that would allow the use of fireworks on the days leading up to and after Juneteenth.	Referred to House Gov. Operations						Monitoring	The bill is tie-barred to legislation designating "Juneteenth" as an official state holiday.
HB 4981		Lottery sales commission increase: A bill that would increase sales commission to retailers for tickets sold from 6% to 7%. For tickets sold between 9-30-21 and 10-1-22, sales commission to retailers for tickets sold would be 9%. The bill would also eliminate current flat bonus commission on various winning jackpot or top prize-winning tickets and replace with a bonus commission of 1% if the winning ticket is \$1 million or more.	Hearing in House Reg. Reform on 6/22/21						Under review

The bill would allow businesses to fully deduct taxes regardless of the type of business.	Amended and reported by House Tax Policy on 4/28/21	Passed House 88-18 on 5/13/21	Reported by Senate Finance on 5/26/21	Passed Senate 29-6 on 6/23/21	Presented to the governor on 6/30/21			
HB 4568-4569, HB 4571		Tax deadline extensions: Bills to extend 2020 individual state income tax returns filing deadline to May 17, 2021; city income tax returns to May 17 or June 1, 2021; codify Treasury's extension and provide that an additional extension of the federal income tax filing due date for 2020 for federal taxpayers by the IRS would also automatically extend the state deadline to that same date.	Amended and reported by House Tax Policy on 3/24/21	Passed House 108-1/109-0 on 4/13/21	HB 4569 and HB 4571 reported by Senate Finance on 4/14/21	Passed Senate 35-0 on 4/20/21	Signed by Gov. Whitmer on 4/22/21	P.A. 7-8 of 2021 took effect on 4/22/21		
OTHER	HB 4971-4972 & SB 523-524	Interstate compact prohibit state grants/tax incentives: Legislation that would establish an interstate compact where Midwestern states would agree not to offer competitive company-specific subsidies. State grants, tax incentives and MEDC funding that encourage companies to relocate from one state to another would be prohibited beginning Oct. 1, 2021.	Referred to House Commerce/ Senate Econ. Dev.						Monitoring	The house bills are tie-barred as a package and the senate bills are also tie-barred as a package.
	HB 5000	Stormwater discharge fees: A bill that would increase stormwater discharge fees.	Referred to House Appropriations							MRA opposed similar legislation in previous sessions that essentially creates a "rain tax."
	SB 593	Stormwater utility fees: A bill that would allow local governments to assess stormwater utility fees on property owners based on property elements.	Referred to Senate Local Gov.							MRA opposed similar legislation in previous sessions that essentially creates a "rain tax."

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
SB 272		Tax Tribunal hearings: Would allow the residential property and small claims division to hold hearings or re-hearings telephonically or by videoconferencing.	Referred to Senate Finance						Monitoring	
OTHER										
TOURISM	HB 4052	Daylight Savings Time: A bill that would switch Michigan to Daylight Savings Time year-round if congress allows states to choose and if our neighboring states (IL, IN, OH, PA, and WI) also observe DST year- round.	Amended and reported by House Commerce on 3/16/21	Passed House 87-22 on 4/27/21	Referred to Senate Gov. Operations				Neutral	Similar bills attracted a lot of discussion last session but little movement.
	SB 231	Daylight Savings Time: A bill that would switch Michigan to Daylight Savings Time year-round if our neighboring states (IL, IN, OH, PA, and WI) also observe DST year-round.	Referred to Senate Gov. Operations						Neutral	
OTHER	HJR F & SJR H	Ballot initiatives: House and Senate Joint Resolutions that would eliminate the legislature's current authority to take up ballot initiatives.	Referred to House/Senate Gov. Operations						Monitoring	This is likely in response to the legal challenge filed in May 2021 on the "adopt and amend" procedure used in 2018 on minimum wage and paid sick leave proposals.
	SB 507-509	Driver license/ID/registration extension: A package of bills that provide for the additional extension of renewal date by 120 days for state identification cards, enhanced and regular driver licenses and vehicle registrations that would have or will expire between March 31 and Aug. 1, 2021.	Skipped committee referral	Amended and passed Senate 25-10/32-3 on 6/10/21	Amended and reported by House Oversight on 6/24/21	Amended and passed House 95-14 on 6/30/21			Monitoring	The amended bills also include some added language requiring Secretary of State offices to be open for in-person appointments.
	HB 4605-4607	Driver license/ID extension: A package of bills that provide for the additional extension of renewal date for state identification cards, driver license and extended and enhanced driver licenses to June 30, 2021.	Referred to House Gov. Operations						Monitoring	
	SB 409	Distracted driving: A bill that would enhances penalties for operating a vehicle while sending or receiving a message on an electronic wireless device.	Referred to Senate Judiciary						Monitoring	
	HB 4698	False active shooter alarm: A bill that would provide penalties for falsely pulling an active shooter alarm in a public place defined as "including but not limited to a school."	Amended and reported by House Judiciary on 5/11/21	Amended and passed House 104-4 on 5/25/21	Referred to Senate Judiciary				Monitoring	The description in the bill is pretty limiting on what an active shooter alarm includes.
HB 4360	False representations of ballot proposals: A bill to prohibit a petition circulator from making false representations of the content of the proposal or recall petition and prescribe penalties for doing so.	Referred to House Elections						Monitoring		

2021-2022 Bill Tracking

BILL #	RECENT CHANGE	BILL SUBJECT/DESCRIPTION	COMMITTEE ACTION	ACTION IN HOUSE OF ORIGIN	COMMITTEE ACTION	ACTION IN SECOND HOUSE	GOVERNOR	PUBLIC ACT (EFFECTIVE DATE)	MRA POSITION	NOTES
HB 4277-4279		Hands-free driving: Several bipartisan bills that would increase penalties on drivers who send texts or other messages while driving. Texting while driving is already illegal and drivers can receive both that penalty and distracted driving charges which carries a larger fine and impact on one's driving record.	Amended and reported by House Judiciary on 5/4/21						Monitoring
