900

New patients and caregivers served by Education and Services in the state of Michigan.

"...It brings me to tears when I think about how much they have done for me & that their help has helped me focus on getting better & not on finances. LLS, I love you all & words could never say how much I appreciate your help, thank you just doesn't seem to be enough but I truly do THANK YOU!! God bless you all, the ones that donate & everyone else involved in this wonderful organization!!" - Barbara, Patient
